"Blinded by Science"

Center School Celebrates Science Day

Center School's Ninth Annual Science Day was held for students on Thursday, March 5 from 5:00 to 7:00 pm and on the morning of Friday, March 6 from 9:00 am to 12:00 noon for parents to visit students' exhibits and projects.

The emphasis of Science Day is to foster an appreciation of science and the learning experience derived from doing a project and/or experiment. Student participation is on a voluntary basis and is non-competitive. Student exhibits may consist of a demonstration, models, experiments, and/or science related collections (such as rock or shell collections). Students were not allowed to exhibit live animals, dangerous chemicals, open flames, explosives, or anything that could be potentially dangerous.

A highlight of this year's Science Day was a visit by the New England Aquarium's "Tide Pool Revue" program in the cafeteria on Friday morning, March 6. The "Tide Pool Revue" program, which was presented by Amanda Reed of the New England Aquarium, uses interactive theater to highlight animals of the rocky coast.

In the first part of the two-part program under the direction of their classroom teacher, students studied about a different animal, learning about its adaptations, feeding behavior, and movements. During the second part, Ms. Reed directed students in a presentation focusing on the tide pool life of the rocky coastline, with students in sea life animal costumes playing the roles of a periwinkle, sea urchin, rock crab, sea star, and hermit crab.

Pottery Program

Sippican Historical Society Hosts Curator

Dedham Pottery curator, lecturer, and appraiser Jim Kaufman will present a lecture illustrated with 130 slides titled "A History of the Dedham and Chelsea Potteries of the Robertson Family" on Tuesday, March 24 at 7:30 pm at the St. Gabriel's Parish Hall (corner of South and Front Streets in Marion).

A native of Ohio now residing in Massachusetts for 26 years and in Dedham for 14, Mr. Kaufman received his BA degree from Amherst College. He is president of Federal Hill Investment Management, an investment brokerage firm. Mr. Kaufman has collected and researched Dedham Pottery for the past 13 years. He is curator for the Dedham and Chelsea Ceramic Pottery at the Dedham Historical Society and is also the founder and author of the Dedham Pottery Collectors Society Newsletter. Mr. Kaufman is also a member of the American Art Pottery Association and Boston China Students Club.

Jim Kaufman continues to research the history of Dedham Pottery and welcomes all information or inquiries at 1-800-283-8070.

Left: A rare, five-inch tall Dedham Pottery Pitcher in the Chicken Pattern, circa 1925. The Sippican Historical Society will be hosting a program on the history of such pottery on Tuesday, March 24 at 7:30 pm in St. Gabriel's Parish Hall in Marion. The speaker will be Jim Kaufman, Curator for the Dedham and Chelsea Ceramic Pottery at the Dedham Historical Society. (Photo courtesy of Sippican Historical Society).

On the cover: First grade student Conor Bordwick of Mattapoisett (in periwinkle costume) participates in the New England Aquarium presentation "Tide Pool Revue" with volunteer Amanda Reed during last week's Science Day program at Center School. (Photo by Kenneth J. Souza).

Cover insert: Acushnet Fire Department members Al Robichaud (far left) and Frank Knox (second from left) present Susan M. Boulay, Principal of St. Francis Xavier School (second from right) with a check to purchase new fire extinguishers for the school. Ken Sebastio (far right) from Fire Pro Company in Fall River provided the units at cost. (Photo courtesy of Susan M. Boulay).

Fire Prevention

Acushnet Firefighters Make Donation to School

On February 13, 1998, the Acushnet Firefighters Association presented St. Francis Xavier School with a \$200 check for the purchase of 15 ABC fire extinguishers. These extinguishers will replace the water-filled ones the school currently has. Fire Pro Company in Fall River discounted the extinguishers to cost.

Mattapoisett Selectmen's Meeting

March 10, 1998

By Rebecca Fortin

A regular meeting of the Mattapoisett Board of Selectmen was called to order on Tuesday, March 10 at 7:00 pm by Chairman John N. DeCosta. Also present were Selectman Paul R. Lambalot, Selectman Michele Bernier, and Executive Secretary Carol Adams.

The first appointment on the agenda was with the members of the Water and Sewer Department. Members Gary Gaspar, William Nicholson, Clifford Tripp, and Jim Huntoon were present to discuss proposed articles for the Annual Town Meeting which is to be held this May.

Mr. Huntoon explained that the commission was exploring several proposals for the warrant, and briefly described them to the board.

First, he explained that several areas were among the town's priorities for water and sewer work. Point Road, Crescent Beach, and Ned's Point Road are among the areas that are in need of work.

On Wednesday, March 11, Mr. Huntoon said the bidding process for such projects will begin. "We hope to have more than a dozen bidders," he said.

In addition, two petitions from two separate areas have also been received that request sewer work: Point Connett and Park Street, which includes 205 existing homes, are in need of repair.

Mr. Huntoon went on to say that the commission is "environmentally-sensitive," meaning that they would like to see priority go to areas such as Ned's Point and Point Connett which fit the sensitivity description.

Mr. Huntoon explained that the town is competing with other communities within the state to have their streets and areas designated as "priority" projects. All engineering would have to be complete before any of the monies would be reimbursed by the state. Some estimates on the projects include: \$4.5 million

for Point Connell and \$2.2 million for Park Street.

The commission also stressed the need for the replacement of the town's twenty-year-old fuel tank, which is estimated to cost \$9,800. The tank contains diesel fuel, which could prove to be potentially harmful.

William Nicholson added that "we do the leak detection on the tank, but we don't do it everyday." Therefore, the commission recommends putting the issue on the article for the Town Meeting.

Brandt Island Road may become the next priority area: "Certainly by the next annual town meeting," Mr. Huntoon said.

He added that the commission is working on creating a website that would offer residents the opportunity to be updated on the progress of such developments and projects. It would offer insightful data from the Water and Sewer Department.

The next appointment on the agenda was with East Coast Engineering representative Bob Cummings who spoke about the gasoline remediation project in town.

Currently, he is monitoring the condition of the wells, and their gasoline content. The last samples he had to refer to were from December 1997 and before that were from June 1997. The December samples proved to be quite optimistic, as they showed the highest part of the contamination moving back into the center of the wells, which is ideal for removal.

He suggested that the sample process must be done with much more frequency — ideally every month — to attain a precise measurement of the potential contamination. Mr. Cummings said that the samples can cost \$800 per round. "If we don't have data for six months, it's hard to see how the system is operating," he explained. The board agreed with his suggestions.

Next on the agenda was Steve Kelleher of Kelleher Architects and Building Inspector Andrew

Bobola to discuss the Town Hall renovations.

Mr. Kelleher read along with the board a letter he submitted to them regarding the costs of the renovations to bring the building into compliance with the Americans with Disabilities Act (ADA). Currently, \$71,000 has been assessed as the value needed to complete the project. This amount includes not just construction costs by Fisher & Rocha, but also includes ads and printing fees, as well as an additional \$5,000 for changes.

The Finance Committee (FinCom) recommends that the project proposal include an additional \$10,000 to \$15,000, as a contingency fund for unexpected and unforeseen problems.

There are three meetings scheduled throughout the week, they are:

- Wednesday, March 11 at 6:00 pm - Tri-Town Selectmen's Meeting will take place at the Marion Town House.
- Monday, March 16 at 7:00 pm - Capital Needs Forum will take place at the Old Hammondtown School.

Under incoming correspondence for the week, the board received:

- Notice from Water/Sewer Superintendent William Nicholson that Mattapoisett is one of 45 public water suppliers that is in compliance with DEP's wellhead protection regulations.
- Request from Secretary to the Mattapoisett Congregational Church Liz Field for permission to utilize Shipyard Park for Easter Sunrise Service on April 12 at 7:15 am.
- Memorial Day Chairman Jack DeCosta invited

board with the draft requirements for Constable appointments. She had collected applications from other towns to provide ideas to the board, and recommended that they add their suggestions to the applications so they would be specific to the Town of Mattapoisett.

Donald Linhares of 53 Water Street and Valerie Nichols of 165 Acushnet Road were both appointed to the Capital Needs Committee.

The board reminded the public that applicants are still needed for the Finance Committee. Currently, two positions are available on the FinCom.

With no further matters to come before the board, they unanimously voted to adjourn for the evening.

Marion Selectmen's Meeting

March 12, 1998

By Kenneth J. Souza

A regular meeting of the Marion Board of Selectmen was called to order on Tuesday, March 12, 1998 at 7:00 pm by Chairman Loretta B. Schaefer. Also present were Selectman Jonathan "Jody" Dickerson, Selectman Albert E. Winters, Executive Secretary Ray Pickles, and Secretary Helene Craver.

The board first signed the following warrants for the week: 36A, 3698, 36, 3698M, 3598M, 3598V, 3598M2, 3598V2, 37, and 3798. They also unanimously voted to approve the minutes of the March 3 meeting.

Animal Control Officer Susan King next submitted a request for the board to issue restraining

orders for two dogs owned by Robert Anderson which recently attacked a neighbor's cat. The board unanimously voted to issue restraining orders for the animals — a Bassett hound and rotweiller mix.

The board also received a request for the use of Washburn Park on August 22 for a family reunion. Provided there are no conflicts or objections from the Recreation Department, the board unanimously voted to approve the request.

Under incoming correspondence for the week, the board received:

- Review of the town's Wastewater Facilities Plan from the Department of Environmental Protection (DEP). According to the letter, the DEP concurs with the recommendations of the draft plan, subject to adequate responses to several comments. In light of the DEP's review, Mr. Pickles advised the board that they should proceed with placing an article on the upcoming Town Meeting warrant to borrow funding for the fourth lagoon at the Wastewater Treatment Plant.

"Item 5 is the one I'd be most concerned about," Mr. Pickles said, referring to the DEP's recommendation to carry out an additional study to further analyze the monitoring wells in the vicinity of the plant. "The nitrogen level is not necessarily the direct result of the (Wastewater Treatment Facility) ... some of these areas can be handled by the Board of Health."

The board agreed to forward this information to both the Planning Board and Board of Health.

- Letter from Christopher Thornell requesting to become involved with the community by serving on the Recreation Committee. Originally from Marion, Mr. Thornell just moved back to the area with his wife and opened a chiropractic and sports injury center. The board unanimously voted to appoint Mr. Thornell to the town's Recreation Committee for a term to expire on May 31, 1998. "We can always use help on the Recreation Committee," Selectman Dickerson said.

• The Sippican Lands Trust sent a request to the board for permission to sponsor a street and roadside cleanup on Saturday, April 18 to kick off Earth Week 1998. The Lands Trust requested assistance from the DPW, and for use of the Town Landing and stage area for the event. The board agreed that this is a worthwhile project. "I think this is a wonderful opportunity to get people involved in keeping our town clean," Chairman Schaefer said.

- Notice from Bell Atlantic that due to the increasing demand for telephone exchanges — with the

proliferation of modem, fax and cellular lines — it may be necessary to add more area codes to the 508 and 617 Massachusetts area in as little as three years, maybe sooner.

- Notice and a check from MediaOne in the amount of \$888 representing the franchise fee due to the town for the year under state law. The fee is based upon a 50-cent per connection charge assessed to all Marion cable subscribers each year.

Mr. Pickles presented the board with a draft of the town's General Operating Budget for 1999 for the upcoming Annual Town Meeting warrant. Pending further adjustments, the General Operating Budget total for 1999 will be \$10,607,787 — a 7.88 percent increase over the FY 98 budget of \$9,832,915.

Among the major articles slated to appear on the warrant:

- \$3,000,000 for the Wastewater Treatment Plant to be taken from Debt/Sewer Rates;
- \$500,000 Debt Override for Sippican School Design;
- \$65,000 Capital Override for Fire Department Air Packs;
- \$35,000 Capital Override for Town House Repairs;
- \$26,000 Appropriation for Police Department Cruiser;
- \$35,000 from Free Cash for Police Department Repairs;
- \$30,000 from Free Cash for Sippican School Special Needs.

The total budget is still pending a final figure from Sippican School. "Hopefully we'll have a firm number in hand for the Sippican School project by Town Meeting," Selectman Winters said.

Chairman Schaefer noted that work on the Marion Music Hall is progressing nicely and the committee is pleased to announce that an Open House has been scheduled for Saturday, April 4 from 10:00 am to 2:00 pm so that residents can see the newly-renovated historic landmark. "We invite all citizens to come and see the building that has been under repair for almost a year now," Chairman Schaefer said.

There being no further matters to come before the board, they unanimously voted to adjourn for the evening at 7:28 pm.

BARRY DENHAM — — FOR SELECTMAN

The Denham family has lived in Mattapoisett for more than 200 years. My Dad started his business in town in 1947. When he retired in 1980, I took over the management of the company. Coming from a long line of hard working people, I learned the value of responsibility, commitment, community and family very early in life. And everyday, I try hard to live by those values.

RESPONSIBILITY and COMMITMENT

Over the past 30 years, I have demonstrated a sense of responsibility and commitment to improving Mattapoisett. For example, I have served on the

- ✓ Planning Board
- ✓ Master Plan Committee
- ✓ Landfill Study Committee
- ✓ Building Committee for the Old Hammondtown School
- ✓ Open Space Committee
- ✓ Fire Department as a Volunteer Fire Fighter

All of this experience has given me a good idea not only of how the various boards and committees of Town government function but also of what their duties and responsibilities are.

OPEN MINDED

Those who know me and have worked with me realize that I can stand up for what is right for our Town. They will also tell you that I can listen to all sides of an issue while working with people to arrive at what is best for Mattapoisett.

LEADERSHIP and TEAMWORK

During my service to our country, I learned the value of leadership and teamwork. The Office of Selectman must provide leadership and promote teamwork in order to solve the problems and challenges that lie ahead.

And I believe that, as your next Selectman, I can not only provide that leadership but also motivate people to work together for the overall good of the Town.

WHAT I SUPPORT

- ✓ Quality education for our children
- ✓ The needs of our senior citizens
- ✓ The protection of our environment
- ✓ Public works projects that are beneficial to our Town
- ✓ Well trained and professionally staffed fire and police departments

CONTROLLED SPENDING

My position on spending is to control costs. I believe in having a financial plan for the Town that phases in the replacement of equipment and new services over time.

Moreover, I would not recommend adding equipment or new services until we could afford them. Should such additions become necessary, I would ask that we find a way to reduce costs within the existing budgets to pay for them. Taxpayers are already at the limit of what they can afford. Therefore, my goal as your next Selectman will be to do, in a responsible way, whatever is necessary to control spending so that future tax increases can be avoided or kept to a minimum.

WHEN YOU VOTE, PLEASE REMEMBER MY

- ✓ Business experience
- ✓ Twenty-nine years of leadership training in the Army and Army Reserves
- ✓ Record of service to the Town of Mattapoisett
- ✓ Knowledge of the Town—its government and its people
- ✓ Sense of responsibility
- ✓ Determined commitment to you.

**Since it would be an honor and a privilege
to serve you, I ask for your support,
especially your vote for me**

**—Barry Denham—

Rochester Selectmen's Meeting

March 9, 1998

By Rebecca Fortin

A regular meeting of the Rochester Board of Selectmen was called to order on Monday, March 9 at 7:00 pm by Chairman Richard D. Cutler. Also present were Selectman Lorraine Roy Hawkes, Selectman William D. Chamberlain, Administrative Assistant Veronica Lafreniere, and Executive Secretary Russell Dean.

The first order of business on the agenda was an appointment with James and Holly Vogel of Hiller Road, who were present to discuss the ongoing and unresolved issue of the Mendoza dogs.

"We're in a position ... where the problem has not gone away," said Mr. Vogel. At that point, Mr. Vogel brought out a tape recorder that was used on that day to record twenty-five minutes of incessant barking by the Mendoza dogs. "This is not an exception," said Mr. Vogel referring to the barking, "this is the rule." At one point during the tape, Ms. Mendoza's voice is heard yelling at the dogs. Mr. Vogel insisted on leaving the tape recorder on for the duration of the discussion.

"You've had police officers make random stops," said Mr. Vogel, "but obviously the problem still exists."

The Mendozas explained that the barking has been alleviated somewhat, but only because Mr. Mendoza boards the dogs when he is away on business, which has been frequent of late. However, when the dogs are on the property, the barking is constant.

Selectman Hawkes raised the issue of the

likelihood that the Vogels' two horses and one pig may contribute to the barking of the hunting dogs. She noted that perhaps the dogs were picking up the scent of the animals.

The Vogels explained that in the three years that they had lived on the property, and the one year that they have owned their animals, the dogs have been a problem throughout their stay. The Vogels added that they obtained a petition from neighbors agreeing with the problem, but that the other neighbors choose not to get involved.

Chairman Cutler noted that the changes the Mendozas claimed to be taking care of — like the bark-resistant collars and the isolated kennels — had obviously not been made. "I had hoped that the Mendozas would

BUYING BY COMPARISON

Here's a short course on home buyer psychology. Buyers buy homes by comparison. The average buyer is no slouch. He'll shop a particular neighborhood and home type. He'll rarely buy the first one he visits. It's too big an investment to be nonchalant. He will then compare prices against COMPARATIVE value and quickly throw out the obviously overpriced homes.

If the buyer really likes one of these overpriced homes, he may make an offer at a lower price — closer to its true value. History shows that he'll probably make his offer for one al-

ready realistically valued.

Our agency can save you, the home seller, much chagrin in the area of comparative pricing. We know what similar homes are selling for and which homes are not selling due to overpricing. We can help you set the proper selling price — one that will bring the best profit in the shortest time. It makes sense to work with documented facts instead of guesswork. Why not drop in and find out. We have the facts.

Call Bruce today with any of your Real Estate questions or needs. We're here to help!! 758-6738.

have followed through with what they said they were going to do," Chairman Cutler said.

The decision was therefore made to invite both the Mendozas and the Vogels back next week to resume the discussion.

Next on the agenda was Executive Secretary Russell Dean's report, which included the following topics:

- In regard to the Rochester Police Department cruiser lease issue, Mr. Dean explained that the town is waiting one more week to make a decision based on the outcome of the Plymouth County Bid which will determine the vendor for the vehicles. This will provide the town a lease package price for the cruiser. Mr. Dean expects to hear the results within a week.

- The Dexter Lane Project is now under way and awaiting a cost prospect for a water line that will run through Dexter Lane. Highway Surveyor Jeff Eldridge's department will do the labor, but the materials to be used are going out to bid. Materials are expected to cost as much as \$20,000. "We're in better shape than we were a few weeks ago," Mr. Dean said referring to the progress on the project.

- The Mary's Pond Beach Committee has a meeting scheduled in which they will discuss the progression of the project. Mr. Dean said that they were "anxious to get a cost proposal together." The committee is expected to come before the board next week to offer an update.

Under incoming correspondence for the week were the following:

- A letter was from the Old Colony Regional Vocational Technical High School District which was in regard to the appointment of school committee members which must be made on or before May 1, 1998.

- A letter from the Department of Environmental Protection (DEP) stating that they no longer oversee the Waste Site Cleanup Program, and explaining that property owners now hire Licensed Site Professionals (LSP's) to evaluate site conditions. They request that the board respond to a survey to let them know about their experiences with such procedures.

- The Massachusetts Municipal Association (MMA) forwarded a letter stating that the Massachusetts

Senate has passed a bill that would protect local zoning from the siting of wireless telecommunications facilities from unwarranted state oversight.

- The Town of Mattapoisett forwarded a letter to the board offering Selectman Michele Bernier for consideration to represent the Selectmen in School Committee negotiations.
- John N. DeCosta forwarded a letter to the board that extended an invitation to the Junior ROTC to participate in the annual Memorial Day Parade in Mattapoisett to be held on Monday, May 25, and in Rochester on Sunday, May 24.

• The Massachusetts Department of Revenue (DOR) sent correspondence to the town advising that based on an unaudited balance sheet, the town's certified "free cash" amount will be \$893,997.

• MediaOne sent a letter notifying the town that they will receive \$571 representing the franchise fee due.

• The Massachusetts Selectmen's Association sent correspondence in regard to the regional school transportation reimbursements. The association approved a warrant article to support legislative action that would

fund regional school transportation reimbursements at 100 percent of cost.

The Old Rochester Regional School District sent a letter to Chairman Cutler that requested his permission to dispose of outdated surplus books.

The following upcoming meetings were cited:

• Tri-Town Selectmen's Meeting is scheduled for March 11 at 6:00 pm.

• A meeting with the Joint Transportation Planning Group (JTPG) is scheduled on March 11 at 7:00 pm.

• The Personnel Board will meet on March 24 at 6:30 pm in the Town Hall.

Under Old Business, the board discussed the General Vehicle Use Regulations. The topic was whether a town employee has the authorization to use a municipal vehicle for personal use. After much discussion the board agreed to make the following amendments to the policy:

• A municipal vehicle should not be able to be used outside the boundaries of Rochester for personal use, however,

• An individual department head can reserve the right to use their own discretion in regard to personal vehicle use.

With no further matters to come before the board, they unanimously voted to adjourn at 8:45 pm.

Acushnet Selectmen's Meeting

March 9, 1998

By Kenneth J. Souza

A regular meeting of the Acushnet Board of Selectmen was called to order on Monday, March 9 at 6:05 pm at the Acushnet Community Center on Middle Road by Chairman Robert J. St. Jean. Also present were Selectman Peter W. Koczera and Selectman Everett L. Hardy Jr.

The board first received a memo from Police Chief Michael Poitras advising that two candidates have expressed interest in filling the full-time position with the town's Police Department. The board unanimously voted to hold their decision for one week and agreed to schedule time next to meet and interview both candidates before making the appointment. The board will meet at 5:30 pm on Monday, March 16 at 5:30 pm to allow time to interview both.

Chief Poitras also responded to the board's memo regarding a recommendation from the Safety Committee last week to move two "25 miles per hour" speed limit signs on Peckham Road. Chief Poitras agreed that it made sense to move the signs away from the corner so they are more visible. With that, the board unanimously voted to request the Department of Public Works (DPW) to move said signs.

Under incoming correspondence for the week, the board received a copy of the new contract between the town and the police union for consideration. "If we are in agreement on the union contract, (the police) have agreed to withdraw their grievances regarding overtime," said Chairman St. Jean. The board wanted time to review the lengthy document and agreed to hold their approval!

signature of the contract for one week.

The Massachusetts Municipal Association (MMA) next sent a memo requesting that the board support Senate amendment S. 2125 that would protect local zoning and planning decisions regarding the siting of wireless telecommunications facilities which are constructed by cell phone companies. Selectman Hardy felt this was an important issue which the board should support: "Why don't we write a letter of support and contact our local representatives?" he said. "I think we should definitely support this bill."

Old Colony Regional Vocational Technical High School Superintendent-Director David Ferreira next sent a letter to the board advising that Steven Ellis' term on the Old Colony Regional School Committee expires on May 1, 1998. The town needs to appoint a replacement on or before May 1.

Town Moderator Bob Francis was present at the meeting and suggested that he meet with the members of the Board of Selectmen and the Acushnet School Committee on Tuesday, April 28 to interview potential candidates for the position. The meeting will be held at 6:30 pm at the Acushnet Elementary School. Interested residents have until Friday, April 17 at 3:00 pm to submit letters and resumes for consideration.

DPW Superintendent Richard Settele next submitted a copy of his report to the BPW and Highway Foreman regarding flooding problem areas in town. Mr. Settele noted the following problem sites:

- River Road at Jean Street - discharge pipe has collapsed where it crosses a gas pipe on the west side of River Road. Repair was scheduled for March 3, 1998;
- Pembroke Street at Belanger Street - entire neighborhood needs to be evacuated for a drainage system that will relieve flooding problems. Temporary measures will be used to relieve flooding;
- Cushing Lane #34 - owners have caused a flooding problem by filling ditches and constructing stone wall that acts as a dam. Conservation Commission (ConCom) will investigate legality of construction on March 8, 1998;
- Cedar Hill Drive - area continues to be a problem during heavy rains due to low-lying land within the subdivision. Engineering design is required to solve problems;
- James Street at Nelson Street - no flooding but town needs to construct a catch basin in the west side of James Street to pick up runoff;
- Gammons Road - existing pipe drain that crosses Gammons Road is undersized (10 inches) and

needs to be replaced with 15-inch drain;

- Mattapoisett Road at New Boston Road - existing drains need to be cleaned;
- Mattapoisett Road near Brook - road side ditches have been filled by contractors building new homes which caused flooding in one location. DPW will install 500 feet of drain in spring of 1998 to resolve the problem;
- Morse's Lane #35 - stone box culvert under Morse's Lane is being inundated by heavy rains. The site needs substantial design and construction work to relieve flooding;
- New York Avenue - flooding appears to be due to undersized piping. Catch basin construction and larger pipe size is proposed by DPW;
- Hathaway Road - broken pipe has been

repaired.

The board unanimously voted to place this report on file and thanked the DPW for their in-depth response on the flooding problems in town.

Building Inspector Leo Lyonnaise next sent a request for a transfer of \$387.50 from the Reserve Fund to pay Deputy Building Inspector Victor Pereira for recent inspections conducted. Currently, there is no money available in the Deputy Wire Inspector account. The board unanimously voted to approve the transfer as per Mr. Lyonnaise's request.

DPW Superintendent Richard Settele next sent a memo to the board regarding property located at 295 Mendall Road. According to Mr. Settele, due to the high incidence of rainfall in January and February, many residents are faced with potential flooding problems. "When these situations arise and we are made aware of the discharge onto the public way, we notify the owner of the violation of Town By-Law and request that they cease immediately," Mr. Settele wrote. "Is the Town of Acushnet going to insist that a homeowner be forced to flood his basement if there is no other place to discharge the storm water that is flowing onto his property?"

"This is an ongoing problem in New England," Selectman Koczera said. "When we have surface drainage in our streets, we should allow people to discharge into surface drains. Maybe we need to pass a by-law for emergency situations?"

The board agreed this issue needed further consideration and unanimously voted to schedule a meeting with the DPW, Board of Health, and ConCom in May to review further options to this dilemma.

Acushnet Public Schools, next sent a letter confirming that Monday, March 30 will be "Student Government Day" in Acushnet. Students from the Ford Middle School and St. Francis Xavier School will have the opportunity to view the workings of town government from the inside and spend time "shadowing" their town officials inside Town Hall.

Selectman Hardy noted that they will need to get a list of students who will be participating so they can notify the various town departments prior to March 30.

At 6:35 pm the board was prepared to continue a public hearing to consider alleged liquor violations incurred at Nine Island Restaurant. However, the establishment's attorney requested they go into Executive Session due to pending litigation and to discuss personality issues involved. The board unanimously voted to go into Executive Session at 6:35 pm and returned to Open Session at 7:04 pm.

Upon returning to Open Session, Chairman St. Jean noted that the hearing will be continued in no less than 60 days and advised that Town Counsel Everett Marder be present for the hearing.

Clearwater Architects of Westport, MA next submitted their bid proposal for architectural and

CHOOSING A PET BIRD

I have been thinking about getting a pet bird. How do I decide what kind to buy?

If you have never had a pet bird before, I'd recommend starting with a budgerigar (parakeet) or a cockatiel. They are small, somewhat easy to care for and relatively inexpensive.

I've always wanted a cockatoo but I don't know too much about them.

Cockatoos are loving gentle birds that require a huge time commitment. Owning a cockatoo is like having a perennial 2 year old child for 50 years. They are often very loud and destructive and may go through phases that make you question your sanity for wanting this bird in your home. Not a good choice for an avian novice.

Is it better to get 1 bird or to get a pair?

Birds that live with other birds tend to remain "bird oriented" and are much more difficult to tame than birds that spend lots of time out of their cage with people.

Dr. Gould can be reached at the

engineering design services for the Town Hall and Parting Ways Building renovations to bring both structures into compliance with the Americans with Disabilities Act (ADA). There were three parts to the bid: the first would be to bring just the Town Hall into compliance with the ADA (\$320,000); the second was solely for the Parting Ways Building (\$220,000); and the third encompassed both buildings into one project (total cost of \$540,000).

In addition, Clearwater Architects' engineering fee (including their original contract with the town) is \$37,800.

But the board and Town Clerk Richard Threlfall felt they needed to review the specifications of the project with Clearwater again, since they didn't plan on installing bathrooms in the second floor of either building. "The way I understood it, if we installed handicap bathrooms on the first floor and provide an elevator access, we'll be in compliance," Selectman Koczera said. The board agreed to schedule a "walk through" of both buildings with a representative from Clearwater Architects on Saturday, March 14 at 8:00 am.

Board of Health member Bob Medeiros next brought a series of complaints he had received to the Board of Selectmen's attention. Mr. Medeiros said there have been complaints about the public rest rooms in Town Hall and the Parting Ways Building. He inspected both facilities, and found the Town Hall bathrooms to be clean and sanitary. However, the bathroom facility in the Parting Ways Building was not very clean and retained an odor.

"The bathroom was rather dingy," he said. "The problem is the urinals aren't easy to reach ... so some people end up missing and urinate on the floor. I think we need to put a pedestal in there and have the janitor check on the bathrooms at least twice a day."

The board unanimously voted to request that the janitor check the facilities at least twice a day and also to turn the matter over to Director of Facilities Richard Threlfall for further consideration.

There being no further matters to come before the board, they unanimously voted to adjourn for the evening at 8:16 pm.

Smoking Cessation at ORR

The PACT (Prevention and Cessation of Tobacco) Program is sponsoring a FREE smoking cessation program called the American Cancer Society's "FreshStart" Program. The program will be held at the Old Rochester Regional Junior High School at 7:00 pm on March 19, 24, 26, 31, and April 6. The FreshStart Program provides smokers with the knowledge and support needed to successfully become a non-smoker. Registration is limited, so interested smokers should call Judith Coykendall at 748-3531 at their earliest convenience.

Mattapoisett Woman's Club

The March meeting of the Mattapoisett Woman's Club will be held at 12:00 noon in Reynard Hall of the Mattapoisett Congregational Church on Thursday, March 19. Tea, sandwiches, and sweets will be served, followed by the business meeting and program.

The speaker will be Maurice Parkonen, Floral Designer at RF Morse Company in West Wareham. Mr. Parkonen has been in the floral business for 26 years and will create several arrangements during his program. Guests are always welcome.

Steak Supper in Marion

The Benjamin D. Cushing Post 2425 VFW will hold a Steak Supper and Dance at 7:00 pm on Saturday, March 21 at the VFW Pavilion on Route 6 in Marion. Music will be provided by Dick Aranjo and the Travelers. Tickets may be obtained by calling 295-2848, 748-0791, or 947-8799. Donation is \$11 per person.

Candidates Night in Acushnet

Acushnet's twelfth annual Candidates' Night, sponsored as in previous years by Acushnet Citizens Together Improving Our Neighborhood, Inc. (ACTION), will take place on Thursday evening, March 19, 1998 at 7:00 pm in the auditorium of the Acushnet Elementary School (800 Middle Road).

Hal Peterson, popular former talk show host, local businessman, and an Acushnet resident, will preside as Moderator.

This year's event shapes up to be a lively and informative evening, with hotly-contested seats for Selectman and Board of Public Works. The current Chairman of the Board of Selectmen, Bob St. Jean, is giving up his seat in order to run for Sheriff of Bristol County. The vacant seat is being contested by four candidates including the current Town Clerk, Richard Threlfall.

Most controversial is the BPW race, with two candidates for a one-year seat and four candidates for two three-year seats — two of whom are incumbents. With all the accusations, counter-charges, public demonstrations, and even movements for recall, the debate for these seats is likely to be spirited and a challenge for the Moderator. All Acushnet voters are strongly urged to attend.

the dates of its spring series of walking tours. The tours were developed to highlight the history and attractions of several areas of town. From visiting an 1828 stone schoolhouse to learning about the battles at Revolutionary Fort Phoenix, there is something of interest to nearly everyone on these popular guided walks. The upcoming programs include:

- Saturday, April 25 at 2:00 pm - Poverty Point Tour. The tour begins at Old Stone Schoolhouse, corner of North Street and Castle Avenue, with guide Christopher Richard. It will last approximately 90 minutes and includes a look inside a one-room schoolhouse, stories of Manjiro Nakahama, Joshua Slocum, John Cooke, and other history related to the oldest village settlement in Fairhaven. Tour will repeat on June 13.
- Saturday, May 2 at 2:00 pm - Fairhaven Center Tour. The tour begins at Willow Park, corner of Fort and South Streets, with guide Christopher Richard. It will last approximately 90 minutes and includes visits to Union Wharf, the Town Hall, stories of Warren Delano, H. H. Rogers, the exterior of the mansion where Clara Bow appeared in the classic film "Down to the Sea in Ships," and more. The tour will repeat on June 20.
- Saturday, May 9 at 2:00 pm - Fort Phoenix Area Tour. The tour will begin at the Hurricane Barrier, Fort Street, with guide Christopher Richard. It will last approximately 90 minutes and include Revolutionary Fort Phoenix, histories of the Fort Street homes, an area that was once the estate of millionaire Henry Huttleston Rogers.
- Sunday, May 17 at 2:00 pm - Riverside Cemetery Tour. The tour begins inside cemetery entrance on Main Street with guide Natalie Hemingway. It will last approximately 90 minutes and include burial sites of

prominent citizens including H. H. Rogers, Warren Delano, artists Lemuel Eldred and William Bradford, early headstone and monument art, and more in this lovely 1850 rural style cemetery.

In addition to the weekend tours, a weekday Henry Huttleston Rogers Tour is scheduled for every Thursday at 10:00 am beginning June 25. More in-depth focus on Standard Oil Company millionaire Henry Huttleston Rogers. These tours start at the Fairhaven Visitors Center, 27 Center Street, and take about 75 minutes.

For more information, please call the Fairhaven Office of Tourism at 979-4085. The Visitors' Center is open Monday, Tuesday, Thursday, Friday, and Saturday from 8:30 am to 4:00 pm.

Towns Form emPOWERment

Eight towns in Southeastern Massachusetts have banded together to form SouthCoast emPOWERment, an intergovernmental body which will negotiate to get the best possible electric rates for local residents and businesses now that the state legislature has deregulated the electric utility industry. Under the Restructuring Act signed by the Governor on November 25, 1997, local electric utilities such as Commonwealth Electric and

63 Alden Road, Fairhaven - 993-2869
Open Mon.-Sat. (In the plaza across from Wendy's)

Eastern Edison will no longer have a monopoly to generate and sell electricity. As of March 1, 1998, any licensed company can sell electricity and customers must choose their own suppliers. (The existing electric company, however, will continue to deliver the electricity a customer purchases, using the existing local distribution system).

The Restructuring Act specifically authorizes cities and towns to become "municipal aggregators" — individual towns or groups of towns which arrange for the supply of electricity for customers within their borders at favorable terms. Residents and businesses remain free to choose any supplier they want, and do not have to accept the supplier chosen by the municipality.

Representatives of the towns of Acushnet, Dartmouth, Fairhaven, Freetown, Marion, Mattapoisett, Rochester, and Westport have been meeting for over a year in anticipation of the advent of competition in the marketplace for electricity. Over the next several months, these towns will formally establish "SouthCoast emPOWERment" as an intermunicipal compact, retain consultants who will help them shop for the best possible deal on electric supply, and then offer businesses and residents of these towns the opportunity to purchase their electricity at a significant discount.

As Bob Reed of Westport, Chairman of the group, noted: "SouthCoast emPOWERment provides the advantage of being able to negotiate very favorable electric supply rates, given our size. Unlike the fierce competition we saw when long distance telephone service was deregulated, we don't expect that electric companies will be competing for business of individual customers in the near future. By banding together, however, we'll have

more leverage and be able to attract bidders who will want to offer us good deals on our electric supply."

This spring, each of the eight towns will seek formal approval from their Town Meetings to join SouthCoast emPOWERment. EmPOWERment plans not only to negotiate for a supply of electricity, but also to develop energy plans that will assist their residents and businesses in conserving energy and developing alternative energy sources that pollute and cost less than existing sources. Any contracts that emPOWERment negotiates for electric supply must be approved by the state Department of Telecommunications and Energy to ensure that customers will be getting a good deal.

The Capital Needs Committee is holding a forum to discuss the capital needs of Mattapoisett with interested voters. The committee has assembled the needs identified by each of the town department heads and seeks to review this with all concerned for some indication of interest, priorities, or alternatives. The forum is planned for Monday, March 16 at 7:00 pm at Old Hammondtown School.

Voter Registration

The last day to register for the Annual Town Election on Tuesday, April 7 is Wednesday, March 18. The Town Clerk's office will be open for registration from 8:00 am until 8:00 pm on that day.

Absentee Ballots

Applications are being accepted in the Town Clerk's office for Absentee Ballots. If you are going to be unable to vote in person at the polls on April 7, make an application for an absentee ballot. They can be mailed, or even easier, you can vote in the office. Please call 758-4103 for details. The polls will be open from 10:00 am to 8:00 pm. The deadline for filing for absentee ballots is Monday, April 6 at 12:00 noon. Absentee ballots are available in the Town Clerk's office for in-office voting.

Dog Licenses

The 1998 Dog Licenses are now available at the Town Clerk's office. If you are in doubt about a current rabies shot, the Town Clerk's office will check it for you and provide the name of your vet.

Rabies Clinic

A dog and cat Rabies Clinic will be held on Sunday, March 29 from 10:00 am to 12:00 noon at the Mattapoisett Fire Station. The fee is \$10 per animal. Veterinarian Phil Gaudet will be administrating the vaccine.

Mooring/Boat Stickers

The 1998 boat mooring permits, boat stickers, wharf and skiff renewals are due. Send the bill you received with the proper payment to the Town Clerk's office and your permit and sticker will be mailed to you. If you have any questions, please call the office. Remember: as of April 1, 1998 there will be a \$25 late fee charge per bill in addition to the amount due.

Youth Program

Applications for the Summer Youth Program are available at the Town Clerk's office. These are from New Directions Summer Youth Employment and Training Program (SYETP), which is offering summer work to economically-disadvantaged youth in the area. The earlier you apply, the better your chance for employment. This program is open to youths 14 to 21 years of age.

Rochester Dog Licenses

The 1998 dog licenses are now available in Rochester. There is a mail-in license application form enclosed in the census mailing, or you may obtain a license in person from the Town Clerk's office. The fee schedule is \$7 for a neutered or spayed dog, \$10 for an unneutered or unspayed dog. Kennel licenses are \$30 for six dogs, \$60 for ten dogs, \$150 for commercial kennel. If you have any questions, please call the Rochester Town Clerk's office at 763-3871.

Acushnet Kindergarten Registration

Acushnet Public Schools announced that Kindergarten Registration for the 1998 school year will take place on April 16 at 10:00 am and 1:30 pm. Kindergarten Orientation/Buddy Day will take place at the Acushnet Elementary School, 800 Middle Road,

BABETTE

Lifestyles Plaza
270 Huttleston Avenue, Fairhaven

Acushnet, MA. Parents can register for Kindergarten and make appointments for Kindergarten screening. Children will have an opportunity to visit a classroom. Appointments are not necessary.

Please arrive at 10:00 am if your child's last name begins with A through H, and please arrive at 1:30 pm if your child's last name begins with I through Z. Please bring with you your child's birth certification, verification of home address, and current health records. Health records should show complete immunization and a physical examination within six months prior to entrance in school. Kindergarten screening will take place between May 11 and May 22 by appointment only.

Fairhaven Candidates' Night

The North Fairhaven Improvement Association is pleased to announce "Candidates Night" for the upcoming election. The group strives to help introduce the voters to those who would like to become or remain elected officials.

This year the program is scheduled to begin at 7:30 pm on Wednesday, March 18. The location will be the Hastings Middle School auditorium. Individuals running for public office will be given an opportunity to speak before an audience on any topic they wish for up to five minutes. The format for each candidate will be left entirely to the individual. There will not be any questions pre-submitted. The candidate will also be allowed to choose if he/she wishes to take questions from those in attendance for up to an additional five minutes.

Refreshments will be provided. The program is FREE and sponsored as a public service by the North Fairhaven Improvement Association.

covers careers and educational information, including the Self-Directed Search and Steps in the College Application Process. The parent information night is intended to help parents understand the steps to follow in preparing for post-secondary education. Materials will be distributed relating to college applications, choosing careers, and the financial aid process. Although the program is designed for parents of juniors, parents of younger students are also encouraged to attend.

Color at Mattapoisett Museum

On Sunday, March 15 at 2:00 pm, Mr. Max Ferro, President of the Preservation Partnership of New Bedford, will present a program on "Color in Historic Architecture." This program will take place at the Museum and Carriage House, 5 Church Street, in Mattapoisett.

Mr. Ferro's slide presentation will help dispel the myth that all early architecture and building was dull and drab tending to greys, browns, and other muted colors. Those who have heard Mr. Ferro before will know that he is a knowledgeable and entertaining speaker.

The public is invited to attend. There is a \$2 admission fee for those not members of the Historical Society.

Rochester Council on Aging

Following is a schedule of events for the month of March sponsored by the Rochester COA:

- Thursday, March 12 - Busy Bee's at the Senior Center from 9:00 am to 12:00 noon.
- Monday, March 16 - Dartmouth Mall trip, van leaves Town Hall at 9:00 am.
- Tuesday, March 17 - Dr. Thornell will be the guest speaker at the lunch site at 11:30 am. The topic will be "Preventing Injury in Everyday Life."
- Tuesday, March 17 - Happy St. Patrick's Day!
- Monday, March 23 - Bagging at Canton: van leaves Town Hall at 8:00 am.
- Thursday, March 26 - Busy Bee's at the Senior Center from 9:00 am to 12:00 noon.
- Saturday, March 28 - SERVE, NE (SHARE) Pick-Up from 11:00 am to 12:30 pm. Packages will not be held.

MOVIES & ENTERTAINMENT

Though not a perfect
300, Coen's *Lebowski*
hits strikes and spares

BY ROB GONSALVES

local@wanderer.com

■ *The Big Lebowski*. Starring Jeff Bridges and John Goodman. Written and directed by Joel and Ethan Coen. Running time: 117 minutes. MPAA rating: R. At Cinema 140 in New Bedford.

As much as I enjoyed *The Big Lebowski* — and it's probably the best movie this dead season will have to offer — I'd hesitate to recommend it to anyone but die-hard fans of the Coen brothers. Such willfully bizarre Coen efforts as *Barton Fink* and *The Hudsucker Proxy* seem designed to split viewers into two categories: those who get it and those who don't (and the latter viewers usually don't even show up). *The Big Lebowski* isn't a relatively straight movie like their crossover hit *Fargo*, which the uninitiated could take as a weird-than-usual crime drama. No, the new film finds the Coens firmly back on their deadpan-wacko *Raising Arizona* turf.

Abduction plots have served the Coens well, and here they are again with ransom notes and inept kidnappers (if there isn't a film-school thesis on the motif of kidnapping in the Coens' films, there probably will be). Jeff Bridges, returning to his shaggy *King Kong* look, stars as the typical Coen hero: Jeff Lebowski, a stoner and bowler who prefers to be addressed as "the Dude." He has the same name as a disabled billionaire (David Huddleston), which leads to a misunderstanding wherein two thugs show up at the Dude's hovel, rough him up, and pee on his rug. The other Lebowski's trophy wife, you see, has been running up debts all over L.A.; when she's kidnapped, the big Lebowski hires the Dude as a courier for the ransom.

As if the plot even mattered in most Coen movies. *The Big Lebowski*, like the Coens' most underrated film *The Hudsucker Proxy*, is an excuse for Joel and Ethan's patented stylized dialogue ("He's a good doctor, and thorough") and unapologetic caricatures. Coen veteran John Goodman is one of the latter, as the Dude's Vietnam-vet bowling buddy Walter, who takes care

of his ex-wife's pooh and refuses to bowl on Jewish holidays. There's also the big Lebowski's "artist" daughter Maude (Julianne Moore, trying to out-enunciate Jennifer Jason Leigh in *Hudsucker*), who has about as much reason to be in the

film as anyone else — which is to say, not much except to set up a gag or say things that nobody outside a Coen film would say.

The Coens shrewdly cast Jeff Bridges against type. Usually, Bridges is the most alert of actors; he was ideal as the alien in *Starman*, trying Earth customs on for size. The Dude, however, is blissfully oblivious, and Bridges gives a relaxed slapstick performance. Sometimes he's funny just sitting there, spread out across the back seat of a limo, sipping White Russians that always stain his mustache. But underneath this slacker is a hard-working professional — Bridges does more with his deflated body language than many comedians can manage by chewing the furniture.

Like Bridges, the Coens are pros whose work doesn't look like work at all — it looks like goofing off — until you see Coen wannabes try it and fall flat on their faces. *The Big Lebowski* doesn't really come together; it's as if the Coens consciously avoided easy, audience-pleasing wrap-ups and character arcs. (Another motif in the Coens' work is offscreen deaths of major characters: Judy Davis and John Mahoney in *Barton Fink*, the kidnapped wife in *Fargo*. There's another one here.) The movie is the Coens' acknowledged tribute to Raymond Chandler (just as *Miller's Crossing* was a nod to Hammett), and Chandler wasn't all that concerned with plot coherence either — he used a story as a clothesline on which to hang vivid characters, snappy patter, and local color. That sums up every Coen film, including this one.

Acushnet Rabies Clinic

A Rabies Clinic open to cats and dogs from all surrounding communities will be held on March 29 from 10:00 am to 12:00 noon at the Acushnet Highway Department on Middle Road in Acushnet. The fee is \$8 per animal. All pets must be properly restrained. The clinic is sponsored by the Acushnet Animal Hospital (998-3004).

Adoptable Animals

Animal Umbrella's focus this week is on acquiring additional foster situations for the upcoming kitten season. Last year, they took in 72 litters averaging about 300 kittens which were foster cared and later adopted into permanent homes. If you have a room in your home that could be used for this purpose, please call one of the local Animal Umbrella representatives listed below. They will make a home visit and provide whatever is needed for the cat or kittens while residing with you.

A few adults are still awaiting adoption this week, including:

- "Clarissa," a long-haired bobtail calico (spayed);
- "Braveheart," a seven-month-old neutered male with short hair;
- "Robyn," a short-haired, petite black and white spayed female (1 to 2 years old) who is young and timid and also prefers an adult placement;
- "Kitty," a nine- to ten-month old calico with short hair.

New listings this week include:

- A six-year-old gold neutered male Persian;
- A five-year-old calico;
- A three-year-old black and white neutered male;
- A large orange short-haired female whose

owner died recently — she is timid and shy and needs an adult placement;

• An older, all-white short-haired female with double paws whose owner also died this week.

If you live alone and want a companion, either of these last two offerings would be great for you and the cat. They are both extremely depressed with the loss of their owners.

Several dogs were adopted on Saturday, but there are always more available at the Fairhaven Animal Shelter. Please call Kristy at 979-4028 to view them. The shelter is open Monday, Tuesday, Thursday, and Friday from 9:00 am to 4:00 pm, and Wednesday and Saturday from 9:00 to 1:00.

If you would like to adopt any of the above-listed animals (other than those at the Fairhaven Animal Shelter), please call one of the following Animal Umbrella

This Week's Horoscope

by Linda Black

Aries (March 21-April 19). Romance looks good, if you can find the time. Don't ignore a project that's overdue.

Taurus (April 20-May 20). Watch out for breakage at home and a mate's hot temper. Romance looks excellent but a rebounder may not stick with you.

Gemini (May 21-June 21). Everything falls together, but could fall apart again. Don't procrastinate. A friend's assertiveness leads to a romantic adventure.

Cancer (June 22-July 22). Speak to an older person about having more money. Pursue a good job opportunity. You'll learn quickly, so cram as much material as possible into your brain.

Leo (July 23-Aug. 22). You're strongest, especially in the mornings. It looks like money's coming into your pocket. Don't make a loan to a friend with a tendency to gamble.

Virgo (Aug. 23-Sept. 22). You're having trouble with your mate. You may feel like you're being expected to do everything for everybody, and you may be right.

Libra (Sept. 23-Oct. 23). Take the time to be perfect. Do not hand in anything that hasn't been checked carefully. You're very imaginative.

Scorpio (Oct. 24-Nov. 21). Don't flirt at work. An older person will not be amused. Follow a whim and make a new friend. Try something you've always wanted to do.

Sagittarius (Nov. 22-Dec. 21). Your friends, both far and near, come through for you. Teamwork is the key to your success. Watch out for details.

Capricorn (Dec. 22-Jan. 19). The work's demanding, but you can do it. The person who's ordering you around is the worst part of the problem. Com-miserate with one who cares about you

Aquarius (Jan. 20-Feb. 18). Don't let a persuasive partner talk you out of your money — at least not unless you're sure it's a wise investment.

Pisces (Feb. 19-March 20). If you need a job, these are good days to get one. If you've got a job, you'll be plenty busy. An argument over petty details threatens your relationship.

If You're Having a Birthday This Week: Your work finally pays off. Make the change that's required. You can get into shape this year. Let your self be coached.

and Relaxation." Please mark this date on your calendar so you can be sure to attend.

Rochester Boat Building Seminar

A seminar will be held on Sunday, March 22 from 2:00 to 3:30 pm at the Rochester Fire Station for anyone interested in the building of a Mattapoisett River racing boat for use in the Rochester Memorial Day Boat Race. Boats will be on display, plans will be available, and boat builders will be on hand to answer questions.

Buy, Sell or Swap: If you have a river racing boat to sell, bring it with you. If you are looking for a river racing boat, come and see what's available. For further information, please call Race Chairman Arthur Benner at 763-2024.

Pancake Breakfast in Acushnet

On Sunday, March 22 from 8:00 am to 12:00 noon, there will be a Pancake Breakfast at the American Legion Hall, 71 Hope Street in Acushnet, sponsored by the Acushnet Water/Sewer Users. Tickets are \$2 for adults, and children 10 and under are admitted FREE. Please call 995-8850 for tickets or further information.

Hospice Benefit in Fairhaven

The Hospice of Community Nurse Association in Fairhaven will hold a Spaghetti Dinner on Saturday, March 21 from 4:00 to 8:00 pm at the Trinity Lutheran Church, 16 Temple Place in Fairhaven. The event will include door prizes and great food, and tickets are \$5 for adults and \$3 for children under 12. All proceeds will benefit Hospice patient care. Tickets are available at the Hospice Office, Fairhaven Town Hall, or at the door.

Commercially zoned eatery with a large 2 bedroom apt., and separate house. High traffic area. Asking \$189,500.

LEGAL NOTICES	LEGAL NOTICES	LEGAL NOTICES
<p>TOWN OF MARION ANNOUNCEMENTS</p> <p>The following bylaw changes which were accepted at the Special Town Meeting which convened on October 28, 1997, have been approved by the Office of the Attorney General, and are published herewith in accordance with current regulations. Claims of invalidity of any of the amendments to the bylaws by reason of any defect in the procedure of adoption or replacement may only be made within ninety days of the second publication (March 12, 1998) or June 10, 1998.</p> <p>Copies of the bylaws may be examined in the office of the Town Clerk, Town Hall, 2 Spring Street, Marion, MA or they may be purchased from the Town Clerk for \$20.00.</p> <p>Article S1 Article X, Zoning Amend the zoning by-laws by rezoning the following areas of land as residential (R):</p> <p>Assessors' plan #11, lots #71, #72 and #73; Assessors' plan #11, lots #78, #78A, #78B, #81A, #81B, #81C, and #81D; Assessors' plan #11, lots #59A, #85, #86, #87, #88, #88A, #89, #89A, #92, #92A, #93, and #94; Assessors' plan #12, lots #9, #10, #11 and #28B; Assessors' plan #7A, lots #65, #66, #67, #68, #69, #70 and #71; Assessors plan #7A, lots #74, #75, #76, #77, #78 and #79.</p> <p>Article S2 Article X, Zoning Section 8.10.2 Amend the zoning by-laws, section 8.10.2, location of Wireless Communications Facilities (WCF) by adding the following:</p> <p>Lots #9 and #18 on Assessors' plan #24 and lot #14 on Assessors' plan #26.</p> <p>Article S3 Article X, Zoning Section 5.1 Amend the zoning by-laws by adding to the dimensional requirements table of section 5.1 the following note 11 to the entry for "minimum lot frontage in feet" in the Residence C and Residence D Districts:</p> <p>(11) Provided, however, that the Planning Board may grant a special permit to allow a minimum lot frontage on a common private way shown on an endorsed residential compound plan pursuant to the Subdivision Rules and Regulations of the Planning Board. In issuing any special permit for reduced frontage in a residential compound, the Planning Board shall require the applicant to demonstrate that, through easements, restrictive covenants or other appropriate legal devices, the maintenance, repair, snow removal and liability for the common driveway within the residential compound shall remain perpetually the responsibility of the private parties, or their successors-in-interest and that any breach of this condition shall be deemed noncompliance with the terms of any special permit issued hereunder. Any</p>	<p>subsequent change to the roadway surface after the construction of a residential compound shall require a modification of the endorsed plan pursuant to G. L. c. 41, s. 81W and this special permit.</p> <p>Article S4 Article X, Zoning Amend the zoning by-laws by adding the following section 15, Flexible Development and renumbering section 15, General, as section 16:</p> <p>Purpose. The purpose of this Section 15, Flexible Development, is to preserve open space, forested and other scenic views along the public ways in the Town of Marion; to protect the natural environment; to protect the value of real property; to promote more sensitive siting of buildings and better overall site planning; to preserve Marion's traditional New England landscape and to allow landowners a reasonable return on their investment.</p> <p>Applicability. Any creation of five (5) or more lots in a residence district, whether a subdivision or not, from a parcel or set of contiguous parcels held in common ownership may proceed under this Section 15, Flexible Development, subject to site plan review under Section 3, hereunder.</p> <p>Procedures. Applicant for Flexible Development shall file with the Planning Board six (6) copies of a Development Plan conforming to the requirements for a preliminary subdivision plan under the Subdivision Regulations of the Planning Board. The Planning Board may also require as part of the Development Plan any additional information necessary to make the determinations and assessments cited herein.</p> <p>Modification of lots - Requirements. The Planning Board may authorize modification of lot size, shape and other bulk requirements for lots within a Flexible Development, subject to the following limitations:</p> <ul style="list-style-type: none"> 1. Lots having reduced area or frontage shall not have frontage on a street other than a street created by a subdivision involved. 2. Lots may be reduced in area to a minimum of eighty-five percent (85%) of the otherwise applicable requirement for the district. 3. Lot frontage may be reduced to sixty-five percent (65%) of the frontage required in the district provided that all lots located within the Flexible Development shall average eighty-five (85%) of the frontage required in the district. 4. Each lot shall have at least eighty-five percent (85%) of the required yards for the district. <p>Visual Buffer Requirements. A buffer area, not less than two hundred feet (200') in width, shall be provided between any public way adjacent to the Flexible Development and any home constructed therein. The buffer may be</p>	<p>constituted as a "no build" zone with the site, and may serve as area for individual lots contained therein. No indigenous vegetation shall be removed from this buffer zone before or after the development of the residential compound (except for removal necessary for the construction of subdivision roadways and services and ordinary maintenance), nor shall any building or structure be placed therein.</p> <p><i>Relation to Other Requirements.</i> The submittals and permits of this Section shall be in addition to any other requirements of the Subdivision Control Law or any other provisions of this zoning by-law.</p> <p>Article S5 Article X, Zoning Section 10 Amend the zoning by-laws by taking the following actions regarding Section 10.</p> <p><i>Item 1.</i> Delete the existing Section 10, Cluster Residential Housing, in its entirety and substitute the following therefor:</p> <p>SECTION 10. CONSERVATION SUBDIVISION</p> <p>10.1 Purpose. The purpose of this section 10, Conservation Subdivision, is to encourage the preservation of open land for its scenic beauty and to enhance agricultural, open space, forestry and recreational use; to preserve historical and archeological resources; to protect the natural environment; to protect the value of real property; to promote more sensitive siting of buildings and better overall site planning; to perpetuate the appearance of Marion's traditional New England landscape; to allow landowners a reasonable return on their investment; to facilitate the construction and maintenance of streets, utilities and public services in a more economical and efficient manner; and to promote the development of housing affordable to low- and moderate - income families.</p> <p>10.2 Applicability. Any creation of five (5) or more lots, whether a subdivision or not, from a parcel or set of contiguous parcels held in common ownership and located entirely within the Residence B, C or D Districts, may proceed under this section 10, Conservation Subdivision, pursuant to the issuance of a special permit by the Planning Board, as indicated in section 4.2, the Site Regulation Schedule. Such permits shall be acted upon in accordance with the following provisions.</p> <p>10.3 Procedures. Applicants for a Conservation Subdivision shall file with the Planning Board six (6) copies of the following:</p> <p>10.3.1 A development plan conforming to the requirements for a preliminary subdivision plan under the Subdivision Regulations of the Planning Board. Such plan shall indicate proposed topography, wetlands and, unless the development is to be sewerized, the results of deep soil test pits and percolation tests at the rate of one per acre, but in no case fewer than four (4) per Conservation Subdivision. Where wetland delineation is in doubt or dispute, the Planning Board may require the applicant to submit to the Conservation</p>

LEGAL NOTICES	LEGAL NOTICES	LEGAL NOTICES																												
<p>Commission a request for determination of applicability pursuant to G.L.C. 131, s. 40 and 310 CMR 10.05(3). The Planning Board may also require as part of the development plan any additional information necessary to make the determinations and assessments cited herein.</p> <p>10.3.2 Four-step design process. Each development plan shall follow a four-step design process, as described below. When the development plan is submitted, applicants shall be prepared to demonstrate to the Planning Board that these four design steps were followed by their site designers in determining the layout of their proposed streets, house lots and open space.</p> <p>a. <i>Designating the Open Space.</i> First, the open space is identified. The open space shall include, to the extent feasible, the most sensitive and noteworthy natural, scenic and cultural resources on the property.</p> <p>b. <i>Location of House Sites.</i> Second, potential house sites are tentatively located. House sites should generally be located not closer than one hundred (100') to wetlands areas, but may be situated within fifty feet (50') of open space areas, in order to enjoy views of the latter without negatively impacting the former.</p> <p>c. <i>Street and Lot Layout.</i> Third, align the proposed streets to provide vehicular access to each house in the most reasonable and economical way. When lots and access streets are laid out, they shall be located in a way that avoids or at least minimizes adverse impacts on open space. To the greatest extent practicable, wetland crossings and streets traversing existing slopes over 15% shall be strongly discouraged.</p> <p>d. <i>Lot Lines.</i> Fourth, draw in the lot lines (where applicable). These are generally drawn midway between house locations.</p>	<p>engineering specifications for such conventional plan.</p> <p>10.6 <i>Open Space Requirements.</i> A minimum of ten percent (10%) of the parcel shown on the development plan shall be contiguous open space, excluding required yards and buffer areas. Such open space may be separated by the road(s) constructed within the Conservation Subdivision. The percentage of the open space which is wetlands, as defined pursuant to G.L.C. 131, s. 40, shall not normally exceed the percentage of the tract which is wetlands; provided, however, that the applicant may include a greater percentage of wetlands in the open space upon a demonstration that such inclusion promotes the purposes set forth in section 10.1, above.</p> <p>10.6.1 The required open space shall be used for conservation, historic preservation and education, outdoor education, recreation, park purposes, agriculture, horticulture, forestry or for a combination of these uses, and shall be served by suitable access for such purposes.</p> <p>10.6.2 The required open space shall remain unbuilt upon, provided that ten percent (10%) of such open space may be paved or built upon for structures accessory to the dedicated use or uses of such open space, pedestrian walks and bikepaths.</p> <p>10.6.3 Underground utilities to serve the Conservation Subdivision site may be located within the required open space.</p> <p>10.6.4 The required open space shall, at the owner's election, be conveyed to</p> <ul style="list-style-type: none"> a. The Town of Marion or its Conservation Commission; b. A non-profit organization, the principal purpose of which is the conservation of open space and any of the purposes for such open space set forth above; or c. A corporation or trust owned jointly or in common by the owners of lots within the Conservation Subdivision. If such corporation or trust is utilized, ownership thereof shall pass with conveyance of the lots in perpetuity. Maintenance of the open space and facilities shall be permanently guaranteed by such corporation or trust which shall provide for mandatory assessments for maintenance expenses to each lot. Each such trust or corporation shall be deemed to have assented to allow the Town of Marion to perform maintenance of the open space and facilities, if the trust or corporation fails to provide adequate maintenance, and shall grant the Town an easement for this purpose. In such event, the Town shall first provide fourteen (14) days written notice to the trust or corporation as to the inadequate maintenance and, if the trust or corporation fails to complete such maintenance, the Town may perform it. The owner of each lot shall be deemed to have assented to the Town filing a lien against each lot in the development for the full cost of such maintenance, which liens shall be released upon payment to the Town 	<p>of same. Each individual deed, and the deed or trust or articles of incorporation, shall include provisions designed to effect these provisions. Documents creating such trust or corporation shall be submitted to the Planning Board for approval and shall thereafter be recorded in the Registry of Deeds.</p> <p>10.6.5 Any proposed open space, unless conveyed to the Town or its Conservation Commission, shall be subject to a recorded restriction enforceable by the Town, providing that such land shall be perpetually kept in an open state, that it shall be preserved for exclusively agricultural, horticultural, educational or recreational purposes and that it shall be maintained in a manner which will ensure its suitability for its intended purposes.</p> <p>10.7 <i>Buffer Areas.</i> All dwellings and structures shall be located a minimum of fifty feet (50') from adjacent properties and one hundred feet (100') from adjacent surface waters or wetlands. Buffer areas shall be retained in their natural vegetative state to the maximum extent feasible, except where adjacent to agriculturally used property.</p> <p>10.8 <i>Decision.</i> The Planning Board may approve, approve with conditions or deny an application for a Conservation Subdivision, after assessing whether the conservation subdivision better promotes the objectives of section 10 herein, than would orthodox development.</p> <p>10.9 <i>Relation to Other Requirements.</i> The submittals and permits of this section shall be in addition to any other requirements of the Subdivision Control Law or any other provisions of this zoning by-law.</p> <p>Item 2. Add a new entry to section 4.2, Residential Uses, after "Association Piers" as follows:</p> <table> <tr> <td>Conservation subdivision</td> <td>R</td> <td>LB</td> <td>GB</td> <td>MB</td> <td>LI</td> <td>FH</td> </tr> <tr> <td></td> <td>SP*</td> <td>N</td> <td>N</td> <td>N</td> <td>N</td> <td>N</td> </tr> <tr> <td></td> <td>WS</td> <td>RE</td> <td>SW</td> <td>OS</td> <td>CP</td> <td></td> </tr> <tr> <td></td> <td>N</td> <td>N</td> <td>N</td> <td>N</td> <td>N</td> <td>N</td> </tr> </table> <p>*Not permitted in the RA District.</p> <p>Article S6 Article X, Zoning Section 5.5 Amend the zoning by-laws by adding the following section 5.5, Waterfront Compound and by deleting in its entirety Section 8.6, Waterfront Estate Conservation Area:</p> <p>5.5 Waterfront Compound</p> <p>Purpose. Marion has a number of estate properties located along the waterfront, where large homes on large tracts of land, often along with several smaller homes on the same tract or in separate parcel ownership, have evolved as residential compounds served by a common, private access road. A number of the large homes, which were built for seasonal use originally, have been</p>	Conservation subdivision	R	LB	GB	MB	LI	FH		SP*	N	N	N	N	N		WS	RE	SW	OS	CP			N	N	N	N	N	N

Dog Licenses

Acushnet Town Clerk Richard Threlfall announced that the 1998 Dog Licenses will be available March 2 in his office during regular working hours. In accordance with the Town of Acushnet By-Laws and Massachusetts General Laws, Chapter 140, Section 137, all dogs over the age of three months must be licensed by the Town Clerk.

The license fee structure will remain the same as last year: Spayed female dogs and neutered male dogs - \$6 per year; Unaltered female and male dogs - \$9 per year.

Dog owners who fail to license any dog will be subject to a fine of \$25. This year a strict enforcement policy will be implemented. Remember, state law requires that you present a valid rabies vaccination certificate for dogs three months and older to the Town Clerk prior to licensing.

Mattapoisett Seniors Dinner

The Mattapoisett Lions Club will be holding its annual Mattapoisett Senior Citizens Dinner on March 28 at 12:00 noon at the Mattapoisett Congregational Church. All senior citizens in the town are invited to attend. A full turkey dinner will be served and for your entertainment music will be provided by The Good Fellows.

For reservations, please call the Mattapoisett Council on Aging (COA) at 758-4110 by March 25. Meals can be delivered for those who cannot get to the church.

LEGAL NOTICES	LEGAL NOTICES	LEGAL NOTICES
<p>converted to year-round occupancy. It is the intent of this section to preserve the estate and open space characteristics of large tracts of land along the waterfront, including parcels in more than one ownership, in a manner which minimized Town maintenance responsibility.</p> <p>Applicability. On tracts of ten (10) acres or more abutting tidal waters, a Waterfront Compound comprised of dwelling units sharing common frontage and a private access road or roads, may be permitted, through the issuance of a special permit by the Planning Board, in any single-family residential district.</p> <p>Conditions. A Waterfront Compound shall meet all of the following conditions:</p> <ol style="list-style-type: none"> Tract Ownership. For the purposes of making an application under this section, the minimum tract size may be comprised of parcels in more than one ownership, providing evidence of legal arrangements binding all property owners to the restrictions which may be imposed in the granting of a special permit are presented with an application for special permit. Tract Frontage. The tract shall have a minimum frontage on a public way equal to at least twice the minimum frontage required in the residential district in which it is located, unless an island surrounded by water. Maximum number of dwelling units. The Waterfront Compound shall not contain more than one dwelling unit per two acres of land. Conversion of larger estate residences to more than one dwelling unit is permitted in a Waterfront Compound. Dimensional Requirements. There shall be no minimum lot width or frontage requirements in a Waterfront Compound. On all lots which abut the peripheral boundary of the tract, the setback requirements from the peripheral boundary shall be the same as those which would be required for the residential district in which the land is located. Access. Each dwelling unit in the Waterfront Compound shall have adequate and legally enforceable rights of access to a public street via a private street or driveway or public waterway in case of an island surrounded by water. <p>Open Space Requirements. A minimum of ten percent (10%) of the tract shall be contiguous open space, excluding required yards and buffer areas. Such open space may be separated by the road(s) constructed within the Waterfront Compound. The percentage of the open space which is wetlands, as defined pursuant to G.L. c. 131, s. 40, shall not normally exceed the percentage of the tract which is wetlands; provided, however, that the applicant may include a greater percentage of wetlands in the open space upon a demonstration that such inclusion promotes the purposes set forth above.</p> <ol style="list-style-type: none"> The required open space shall be used for 	<p>conservation, outdoor recreational facilities of a noncommercial nature, agriculture, preservation of scenic resources and structures accessory to any of the above uses (including swimming pools, tennis courts, stables and greenhouses), and shall be served by suitable access for such purposes.</p> <ol style="list-style-type: none"> Underground utilities to serve the Waterfront Compound. may be located within the required open space. The required open space shall, at the owners election be conveyed to: <ol style="list-style-type: none"> The Town of Marion or its Conservation Commission; A nonprofit organization, the principal purpose of which is the conservation of open space and any of the purposes for such open space set forth above; A corporation or trust owned jointly or in common by the owners of lots within the Waterfront Compound. If such corporation or trust is utilized, ownership thereof shall pass with conveyance of the lots in perpetuity. Maintenance of the open space and facilities shall be permanently guaranteed by such corporation or trust which shall provide for mandatory assessments for maintenance expenses to each lot. Each such trust or corporation shall be deemed to have assented to allow the Town of Marion to perform maintenance of the open space and facilities, if the trust or corporation fails to provide adequate maintenance and shall grant the Town an easement for this purpose. In such event, the Town shall first provide fourteen(14) days' written notice to the trust or corporation as to the inadequate maintenance and, if the trust or corporation fails to complete such maintenance, the Town may perform it. The owner of each lot shall be deemed to have assented to the Town filing a lien against each lot in the development for the full cost of such maintenance, which liens shall be released upon payment to the Town of same. Each individual deed, and the deed or trust or articles of incorporation, shall include provisions designed to effect these provisions. Documents creating such trust or corporation shall be submitted to the Planning Board for approval and shall thereafter be recorded in the Registry of Deeds. Any proposed open space, unless conveyed to the Town or its Conservation Commission, shall be subject to a recorded restriction enforceable by the Town, providing that such land shall be perpetually kept in an open state, that it shall be preserved for exclusively agricultural, horticultural, educational or recreational purposes and that it shall be maintained in a manner which will ensure its suitability for its intended purposes. All deed restrictions with respect to ownership, use and maintenance of permanent open space shall be referenced on and recorded with the plan. <p><i>Limitation on Further Subdivision.</i> No</p>	<p>Waterfront Compound for which a special permit has been issued under this section may be further subdivided and a notation to this effect shall be shown on the plan.</p> <p>Decision. A special permit may be granted under this section by the Planning Board provided:</p> <ol style="list-style-type: none"> Adequate provision has been made for the disposal of sewage generated by the development in accordance with the requirements of the Board of Health; Due consideration has been given to the reports of the Board of Health and the Conservation Commission; <p>Additional Conditions. Any special permit authorizing a Waterfront Compound shall require that individual deeds for lots or dwelling units within the Compound contain the following terms:</p> <ol style="list-style-type: none"> The land lies within an approved Waterfront Compound Conservation Area; The development of the land is permitted only in accordance with the land uses indicated in the Planning Board's special permit decision; The Town will not be requested to accept or maintain the private access, drainage, open space (except as may be determined during the course of site plan review) or other improvements within the Waterfront Compound. <p>Relation to Other Requirements. The submittals and permits of this section shall be in addition to any other requirements of the Subdivision Control Law or any other provisions of this zoning by-law.</p> <p>Article S7 Article X, Zoning Section 8.11 Amend the zoning by-laws by adding the following section 8.11, "Erosion Control":</p> <p>Erosion Control. Site design, materials and construction processes shall be designed to avoid erosion damage, sedimentation or uncontrolled surface water runoff by conformance with the following:</p> <p>Grading or construction which will result in final slopes of fifteen (15%) or greater on fifty percent (50%) or more of lot area, or on thirty thousand square feet (30,000 s.f.) or more on a single lot, even if less than half the lot area shall be allowed only under special permit from the Planning Board, which shall be granted only upon demonstration that adequate provisions have been made to protect against erosion, soil instability, uncontrolled surface water runoff, or other environmental degradation.</p> <p>All such slopes exceeding fifteen percent (15%) which result from site grading or construction activities shall either be covered with topsoil to a depth of four inches (4") and planted with vegetative cover sufficient to prevent erosion or be retained by a wall</p>

Free Bridge Lessons

Free Bridge Lessons for Beginners will be offered by members of the South Dartmouth and Mattapoisett Bridge Clubs. The lessons will start in April. For more information, please call 997-8196 or 758-9236.

Capital Needs Forum

The Mattapoisett Capital Needs Committee is planning a Forum to discuss the capital needs of Mattapoisett with interested voters. The committee has assembled the needs identified by each of the town department heads and seeks to review this with all concerned for some indication of interest, priorities or alternatives. The Forum is planned for Monday, March 16 at 7:00 pm at Old Hammondtown School.

Fin, Fur and Feather Club

Spaghetti Supper

The Fin, Fur and Feather Club invites the public to join the members at a Spaghetti Supper on Saturday, March 14 from 5:00 to 7:00 pm at the clubhouse, 35 Crystal Spring Road in Mattapoisett. Tickets are \$6 and are available by calling Walt Gajewski at 763-2706 or Gilly Costa at 763-5664, or at the door. The public is also welcome for trapshooting on Sunday from 1:00 to 4:00 pm, weather-permitting, for \$2.25 per round.

Big Bore Shoot

The Fin, Fur and Feather Club, 35 Crystal Spring Road in Mattapoisett, invites the public to a Big Bore Shoot, bullseye targets, .357 mag. and up handguns, on Sunday, March 15 from 12:00 noon to 4:00 pm. The public is also welcome for trapshooting on Sunday from 1:00 to 4:00 pm, weather-permitting, for \$2.25 per round.

Men's Fellowship Breakfast

The next Men's Fellowship Breakfast will be held on Sunday, March 15 at St. Gabriel's Parish Hall on South Street in Marion. Coffee will be served at 8:15 am with breakfast following at 8:45 am. Why not join area residents for fine food and conversation and a very interesting slide presentation?

He's Here...

Every week we hide the aardvark in *The Wanderer*. For those of you not familiar with this practice, here's how it works. Each week we hide a little aardvark (shown above, actual size) somewhere in the newspaper (not counting the aardvark above). If you find him (or even if you don't) you can send in a postcard with your name, address, and phone number to the address below to enter our Aardvark Drawing! This week we are giving away an "I found the Aardvark" lapel pin. Send entries to: Aardvark, P.O. Box 102, Mattapoisett, MA 02739.

the ORR High School auditorium. Tickets may be purchased in advance at the school or at the door the evening of the show. The ticket price for students and seniors is \$3, and for adults is \$4.

In preparation for the show, approximately 52 art students are designing and creating the fashions they will model themselves. All other art students will be involved in the set design and construction, publicity and programming. The purpose of this creative experience is to raise money for the art classes to take field trips in the spring to New York City and Mexico.

"See me for your project from start to finish"
Mattapoisett, MA (508) 758-1385

Silly," will be appearing. Dr. Palumbo is an inventor of adaptive play devices for handicapped children as well as attention-training tools for children with learning challenges. Through his performance character ("Dr. Silly"), he promotes his motto: "People who play together, grow together." Arthur the Aardvark will also be making a special appearance to meet the children.

This event is a scholarship fund raiser to provide awards to graduating seniors who have attended the Project GROW program. An academic scholarship is awarded to the student who desires to further his/her education by attending college and an Enrichment Program is awarded to the student with special needs who would benefit from the purchase of a special piece of equipment that would result in an enhanced educational program or who may also wish to further his/her education.

The event is open to the public and tickets for the festival are \$4 per person or \$15 per family (including the immediate members of family members at the same address only). Admission price includes two different puppet show performances by "Dr. Silly," a complimentary picture taken with Arthur the Aardvark (one per family), a chance for each child to make their own puppet, and face painting for each child. There will also be a Chinese auction and bake sale.

WE ALL MAKE MISTAKES

Fortunately, some can be corrected.

So you should have replaced your old oil-guzzling boiler last year. So you made a mistake. Fortunately, you can still save a bundle this year with a fuel-efficient Smith oil-fired boiler. With its 86% efficiency rating, your Smith boiler pays for itself in fuel savings in no time. Add up the efficiency, comfort and limited lifetime warranty and you'll discover that you can't afford to wait another day.
